

MUHAMMAD MIHRAJ M.A.

ASPIRING SOFTWARE DEVELOPER | BCA STUDENT | FULL-STACK ENTHUSIAST

Palakkad, Kerala, India | muhammadmihrajma@gmail.com | +91 9039032004

SUMMARY

Motivated and tech-savvy BCA student with hands-on experience in Python, Java, and full-stack web development. Adept at designing responsive web applications, implementing MySQL databases, and solving complex programming challenges. Certified in Oracle Cloud Infrastructure and UiPath Robotic Process Automation, with foundational skills in HTML, CSS, JavaScript, and PHP. Known for strong communication, problem-solving, IT support, and team collaboration abilities. Passionate about software development, cloud computing, and automation technologies. Actively seeking internships or entry-level software developer roles to contribute to innovative IT projects and enhance technical skills.

EDUCATION

Bachelor of Computer Applications (BCA)	June 2022 – May 2025
Bharathiar University, Coimbatore	
Higher Secondary (Computer Science)	June 2020 – Mar 2022
GVHSS Pathiripala, Palakkad	
SSLC (Secondary School Leaving Certificate)	March 2020
GVHSS Pathiripala, Palakkad	

PROJECTS

Credit Card Generating System

Full-stack web application developed using HTML, CSS, JavaScript, and PHP.

- Integrated secure card generation logic with MySQL backend
- Applied frontend design principles for responsive user interface
- Ensured form validation and error handling for user inputs

CERTIFICATIONS

Oracle Cloud Infrastructure Certified Foundation Associate	2023-24
Oracle Corporation	
Robotic Process Automation (RPA) Foundation	10-Mar-2024
Naan Mudhalvan, UiPath	

CORE COMPETENCIES

- Full-Stack Web Development (HTML, CSS, JavaScript, PHP)
- Python & Java Programming
- MySQL Database Design & Management
- Oracle Cloud Infrastructure (OCI) Fundamentals
- Robotic Process Automation (UiPath)
- Responsive UI/UX Design Principles
- IT Support & Technical Troubleshooting
- Agile Methodology & Team Collaboration
- Problem Solving & Critical Thinking
- Effective Communication & Time Management

TECHNICAL SKILLS

- Programming:** Python, Java, PHP
- Web Technologies:** HTML, CSS, JavaScript
- Tools:** MS Word, MS Excel, UiPath Studio
- Database:** MySQL
- Design:** Photo Editing Tools
- IT Support & Troubleshooting

ADDITIONAL INFORMATION

- Languages Known:** English, Hindi, Malayalam, Tamil
- Indian Passport: Y9734815 (Valid)
- Open to relocation and available for internship or full-time roles
- Enthusiastic about cloud computing, AI, and automation technologies
